Product Descriptions

Standard Description – 32 Words

The full-featured 16-port VP6970 USB-C Triple 4K Monitor Docking Station multi-streams independent images or videos on up to three 4K@60Hz external displays from your notebook computer, powered via a 65W AC adapter.

Standard Description – 75 Words

The full-featured 16-port VP6970 USB-C Triple 4K Monitor Docking Station multi-streams independent images or videos on up to three 4K@60Hz external displays from your notebook computer, while providing two HDMI 2.0b ports, a DP1.4 DisplayPort, a 1-Gigabit Ethernet connection, two extra USB-C data/power ports and five USB-A ports up to 10Gbps data speed, a 3.5mm In/Out Stereo Audio port, both SD and Micro SD card readers, a USB-C 60W Power Delivery port, all powered via a 65W AC adapter.

Long Description – 112 Words

The full-featured 16-port VP6970 USB-C Triple 4K Monitor Docking Station multi-streams independent images or videos on up to three 4K@60Hz external displays from your notebook computer, while providing two HDMI 2.0b ports, a DP1.4 DisplayPort, a 1-Gigabit Ethernet connection, two extra USB-C data/power ports and five USB-A ports up to 10Gbps data speed, a 3.5mm In/Out Stereo Audio port, both SD and Micro SD card readers.

Realistically, the VP6970 is all you will ever need to connect-up the various displays, printers, scanners, input devices, cameras and mobile devices on your home or office desktop. And it does all this while charging your laptop via the VP6970's USB-C 60W Laptop Power Delivery Port and a 65W AC adapter.

Features & Benefits

Features

- **4K Triple Video Streaming** – With its dual 4K HDMI 2.0b ports and 4K DP1.4 DisplayPort, the VP6970 USB-C Triple 4K Monitor Docking Station enables multi-streaming of separate images or videos on up to three 4K@60Hz external displays—all from your notebook computer.
- **USB-C Power Delivery** – The VP6970's USB-C Power Delivery Port keeps your laptop computer, mobile devices and other supported USB peripherals charged while on your office desktop. The supplied AC adapter provides enough power to support your connected system.
- **Ultra-Connectivity** - The VP6970 provides fully loaded notebook connectivity with 16 ports, including two 4K HDMI 2.0b ports, a DP1.4 DisplayPort, five USB-A ports, two USB-C data/power ports, both SD and Micro SD Card Readers, a 1-Gigabit Ethernet port, a 3.5mm duo-mode audio port, and a USB-C 60W Power Delivery port with a 65W AC adapter.
- **Office Connectivity** – The USB-C Mini Docking Station is your office connectivity solution, enabling viewing on multiple monitors, connecting to external drives and printers, connecting to local area networks, charging mobile devices, laptop charging and more.

Benefits

- **Office Connectivity** – Connect multiple office monitors, printers, scanners, drives, cameras, mobile devices, and local area networks—all with the VP6970.
- **Triple Video Support** – Display independent screen images or videos simultaneously in 4K resolution on up to 3 external output devices.
- **No Worries** – Whether you're working from your home or business office, you never know when you'll need to connect additional printers, scanners, cameras, external displays, local area networks and more. No worries, the VP6970 has your connection.
